2<sup>nd</sup> February 2018

Dear Parents/Carers,

The Year 5 pupils took part in an enterprise day this week provided by the staff and pupils of The Albany School. It was lovely to welcome back some of our old pupils and good to see them motivating and inspiring our current pupils. The pupils all worked hard in their teams to design a space tower as if they were moving to an alternative world. They also designed a spacesuit and then had to create an advert to persuade people to visit their planets. The winning team will now go to The Albany School to compete against other schools. The Albany staff were very impressed with our pupil's attitudes and excitement for learning and their brilliant teamwork skills. Well done to everyone who took part!

The Nursery children have been really excited to have their parents and family members join them at school this week. The children have been showing off their brilliant learning and enjoyed showing off how clever they are.

The pupils have all enjoyed their "Number Day" today. They all looked great in their number themed outfits and have taken part in a range of number based activities. Thank you for your generous donations to support the NSPCC charity, which does such great work for vulnerable children.

Reception parents have also joined us this week to take part in a maths workshop on the theme of shape and space. Thank you for supporting these workshops we hope you are finding them useful.

If you have anything you would like to discuss with a member of Senior Management please attend the drop in sessions every Friday from 2.00pm - 3.00pm. Alternatively, please book an appointment at the main office.

Senior staff are also available at the beginning and end of the school day in the playgrounds, on the gates and at the doors if you need to see them.

Have a lovely weekend!  
Yours faithfully,

*H McClenaghan*
