Dear Parents/Carers,

We have come to the end of the Spring term and it has been another successful term with many exciting learning experiences for the pupils. I would like to thank all pupils and parents for a successful term. The pupils continue to work hard to do their best every day and with support at home, they are thriving at school. Pupils will be bringing their report cards home this week, please discuss them with your child.

Thank you for your generous Sports Relief donations last week we have raised £409.00 to support some very worthy causes.

Andrews Estate Agents have been into school today to donate Easter Eggs for the prizes for the Easter Bonnets. The staff and children all looked fantastic in their very creative hats and bonnets. The Romford Recorder have been into school to take photographs and they will be published over the holidays.

The pupils enjoyed showing off their bonnets on a parade around the school and the local streets. Well done to everyone for their efforts and congratulations to our winners...

Class 9 enjoyed their trip to Colchester Zoo this week as part of their 'Africa' topic. The children thoroughly enjoyed visiting all the animals and they were lucky enough to feed the animals too! The children then had a talk from a member of staff at the zoo where they found out some fascinating facts and asked lots of questions too!

This week, all year 4 classes visited The Crystal in Royal Victoria as an educational trip linked to their 'Whatever the weather' topic. The trips were a great success and lots of new learning took place. The aim of the visit was to make the children aware of the troubles our planet faces on a day to day basis and what measures we can take to protect the world from more environmental harm. The children were very inquisitive and asked and answered lots of excellent questions.

Class 5 held a bake sale this week. They made a range of cakes and biscuits and sold them to the rest of the school. They were thrilled to have raised over £150.00 which will enable them to adopt a polar bear and a penguin. They have been learning about animals in the Arctic and desert regions and understand how they are under threat. Well done to everyone in Class 5!

The PTA school discos were a huge success and very well attended. The pupils enjoyed showing off their dance moves and had a great time. I would like to thank the staff volunteers for their efforts in supporting the disco's. We continue to need more Parent volunteers to run all PTA events. Please contact the school office if you are able to help as it is unlikely that future events will be unable to go ahead at this time.

Congratulations to all of the pupils who received a 100% attendance certificate for the Spring term. I am very proud of you for coming to school every day. Let us see if even more pupils can pick up a 100% attendance certificate in the Summer term.

If you have anything you would like to discuss with a member of Senior Management please attend the drop in sessions every Friday from 2.00pm - 3.00pm. Alternatively, please book an appointment at the main office.

Senior staff are also available at the beginning and end of the school day in the playgrounds, on the gates and at the doors if you need to see them.

Have a very Happy Easter and a wonderful break with your children, we look forward to welcoming you back to school on **Tuesday 17th April 2018**.
