Donate a bag for life & empty 500ml water bottles

Mrs Gibson is currently planning what is going to be grown in the Biodome after half term and needs a supply of large re-usable shopping bags, sometimes called bags-for-life which can be used to grow potatoes and other vegetables in.

If you have any new or second hand bags that you could donate please send them into school with your child. She is also looking for empty 500ml water bottles to be sent in to school so the children can use them to grow peas in.

Thank you.

sQuid Online - KS1 & KS2

Introducing sQuid online payment for school dinner tickets & drinks

Haverling Catering Services are rolling out a cashless payment system called sQuid across all schools within Haverling for the purchase of dinner tickets and drinks. sQuid will be launched at Crowlands after the Easter holiday. Once sQuid is launched this will be the only way to purchase a dinner ticket/drinks for your child. Haverling Catering Services will no longer be selling tickets online, by telephone or via the school.

You will soon be sent a letter with your child's sQuid registration details

This will be a 16 digit registration number and 3 digit security code that you should register on the sQuid website. If you have more than one child at the school, they will each be issued with their own registration number. Simply follow the instructions set out in the letter to create your online sQuid account and register your child.

Once you have created a sQuid account for your child, you will also be able to manage their account online at any time to:

- Top up their account from your bank account, credit or debit card
- Enable Auto top up so that they never run out of funds
- Check their account balance
- View their transactions

It is very important that you sign up for this service as you will be unable to purchase dinner tickets/drinks through any other method.
