sQuid goes live - register now

Havering Catering Services cashless payment system will be launched at Crowlands on the 19th April.

You will only be able to purchase dinner tickets/drinks for your child by using sQuid. Havering Catering Services will no longer be selling tickets online, by telephone or via the school.

Registration letters were sent home earlier this week to enable you to register and top up your account. Please ensure that you do this and have a credit to purchase dinners/drinks before the 19th April when we go live.

You must still register if you are entitled to universal or free school meals to enable your child to purchase a drink.

If you have more than one child at the school, they will each be issued with their own registration number. Simply follow the instructions set out in the letter to create your online sQuid account and register your child.

Once you have created a sQuid account for your child, you will also be able to manage their account online at any time to:

- Top up their account from your bank account, credit or debit card
- Enable Auto top up so that they never run out of funds
- Check their account balance
- View their transactions
