## Geography Week - Reduce, Reuse, Recycle

We will be holding a Geography week 17th - 20<sup>th</sup> April.

Tuesday 17<sup>th</sup> / Wednesday 18<sup>th</sup> April we would like children to start bringing in recyclable materials for their class projects. Please speak to your class teacher to find out what recyclable items they would like.

Thursday 19<sup>th</sup> April is our 'Walk to School' day - we would like as many children as possible to walk, cycle or scooter to school. The class with most walkers will win a class prize. Don't forget we have several scooter pods around the school and a large bike shed next to the diner.

Friday 20<sup>th</sup> April is our 'Earth Day' - we would like children to wear green or blue to school instead of their normal uniform. In return, we would like the children to donate an old book that they no longer read. These books will be donated to Queens Hospital children's ward.

### Easter Disco

The disco was a huge success last night and enjoyed by those who attended. A big thank you to staff for their help with this event.
