29th June 2018

Dear Parents/Carers,

Due to a delay in the delivery of the sports prizes, we will announce the sports day winners next week.

Year 6 pupils have visited their secondary schools over the last couple of weeks to help them to get to know the school layout and to meet the staff. They have enjoyed their days and are even more excited about moving on to their new schools in September.

Reception pupils have ended their topic on the world cup by holding a "Food from around the world" day. They have tasted a range of different food and have enjoyed sampling all of the different dishes. I would like to thank parents for their generous donations the children really enjoyed their day.

Miss Laryea has left the school this week and we wish her all the best in her new school. I would like to thank Miss Laryea for all that she has done for the pupils in class 15 this year. Mrs Patel will be returning from maternity leave on Monday and will be taking Class 15 until the end of the year.

Year 6 have taken part in a Junior Citizen Day today working alongside members of the emergency services. All the activities taught them a variety of life skills about keeping safe and having the ability to potentially help others who may be in difficulty or distress. We hope they are able to keep safe in the community and at home with their new skills!

If you have anything you would like to discuss with a member of Senior Management please attend the drop in sessions every Friday from 2.00pm - 3.00pm. Alternatively, please book an appointment at the main office. Senior staff are also available at the beginning and end of the school day in the playgrounds, on the gates and at the doors if you need to see them.

Well done to England for reaching the round of 16 in the world cup, could this be our year?

Have a lovely weekend.

H McClenaghan
