1<sup>st</sup> December 2017

Dear Parents/Carers,

Our Upper and Lower Key Stage 2 Athletics teams have taken part in The Borough Sports Hall events this week. The pupils all did really well and Mr Isaac and Miss Coard were very impressed with their performances. Well done to you all!

Year 5 entered the Space Dome this week; they had a virtual reality experience of the historic first landings on the moon and stargazing. They also learnt about how the seasons are formed and were fascinated by some parts of the globe having six months of darkness and six months of daylight. They enjoyed the experience and consolidated their previous learning by relating it to real life.

Some of our staff and pupils were invited to Willows care home this week to take part in their Open Day. The pupils met the residents and their families and enjoyed spending time with them. They also enjoyed a magic show.

Please keep an eye on book bags in the coming weeks as there are many special events happening in school in the lead up to Christmas. Please see the attached newsletter to check for important dates and events. We will not be charging for tickets for the various shows but we will be holding collections afterwards to support save the children.

If you have anything you would like to discuss with a member of Senior Management please attend the drop in sessions every Friday from 2.00pm - 3.00pm. Alternatively, please book an appointment at the main office.

Senior staff are also available at the beginning and end of the school day in the playgrounds, on the gates and at the doors if you need to see them.

Have a lovely weekend!

Yours faithfully,

*H McClenaghan*
