1st February 2019

Dear Parents/Carers,

The staff and pupils all looked great today in their "Number" themed clothes. Number Day is being celebrated to support the NSPCC. Thank you all for your generous contributions. All of the pupils have taken part in activities involving number and looked at how important numbers are in our everyday lives. The pupils have enjoyed a range of learning experiences and have worked hard with some very tricky numbers!

TFL have supported us in securing brand new bikes and cycling helmets for the EYFS children. This is due to our effectiveness in our sustainable travel planning. Many thanks to Miss Smith and Mr Brown for organising the travel plan and for their work in securing the funding. I am sure the children will really enjoy racing round the cycle track on them!

As the weather is turning colder and there may be the possibility of snow we will notify you via Parentmail, the school website and our school Facebook page in the event of any necessary school closure. We will endeavour to do our best to keep the school open.

Please make sure that your child is appropriately dressed for the current weather conditions. This includes an appropriate PE kit for outdoor PE. Please make sure all items are clearly labelled as the Lost Property box is already full up of lost items. Please check the Lost Property in the main entrance if you are missing anything.

If you are celebrating Chinese New Year next week we hope you enjoy your celebrations with your family and friends.

If you have anything you would like to discuss with a member of Senior Management please attend the drop in sessions every Friday from 2.00pm - 3.00pm. Alternatively, please book an appointment at the main office.

Senior staff are also available at the beginning and end of the school day in the playgrounds, on the gates and at the doors if you need to see them.

Have a lovely weekend!

Yours Sincerely,

H McClenaghan
