Reception pupils and staff thoroughly enjoyed their pirate themed day. They all looked fantastic dressed up as pirates and enjoyed a range of activities to support their learning.

Year 6 pupils completed their apprentice tasks this week and created, advertised and sold their products. Well done to all of you we will announce the winners next week!

Year 5 had a great day out at Hainault forest to watch the RAF Centenary fly past. The planes flew straight over head and the pupils really enjoyed the experience. They continued their outdoor learning with a day at Cottons Park taking part in a range of sports.

As we near the end of the academic year we are saying goodbye and good luck to some of our staff members. Mr Gore has been a teacher at Crowlands for 14 years and is now retiring from his impressive teaching career. He tried to retire once before and we managed to convince him to stay but sadly it is time for us to wish him all the best in his retirement. I would like to thank Graham for all that he has done for the pupils at Crowlands it has been a pleasure working with him. Good luck in your retirement and enjoy your new adventures!

Mrs Moseley, Mrs Blagden and Mrs Priest are also retiring this summer and Ms Vigurs is leaving her post as a TA also. They have all been valued members of our support staff team and they have dedicated many years to supporting learning at Crowlands. Mrs Moseley has been here for 18 years, Mrs Blagden has been here for 17 years, Mrs Priest and Ms Vigurs have been here for 13 years. They have had the pleasure of working with numerous pupils throughout their time here and the pupils they have worked with have loved their time with them. Thank you all so much for all that you have done and enjoy your new adventures.

We are excited to welcome Miss McMonagle to our teaching team in September. Miss McMonagle has spent the past few weeks with us and is excited to become a permanent team member. Mr Dickens will also be becoming a permanent member of the teaching staff we look forward to working with him.

Fairkytes Gallery held an art competition this term. The competition was about children from all primary schools around Havering to create a piece of art using the primary colours. These have been exhibited at Fairkyte's Gallery for the past four weeks. Our school entered four pieces of work. All the children will receive an award and the winners a prize. Congratulations to our pupils Stephanie O, Celia R, Wasma A and Ivan N for their fantastic artwork which made it into the exhibition.

Our Year 6 pupils have enjoyed putting on their production this week and have all done a brilliant job in acting, singing and dancing. The Stage Crew and Technology Crew have also done brilliantly in ensuring everything went well. I am so proud of the pupils for a job well done and to the staff for all their efforts in ensuring our pupils shone like the stars they are! Well done to you all!

Later today we are holding our summer fayre, which is always a popular event. Please remember to collect your child at 1.30pm to enjoy the fayre. We still need parent volunteers to assist us in running the fayre please let the office know if you are able to help out. Any help will be very much appreciated!

If you have anything you would like to discuss with a member of Senior Management please attend the drop in sessions every Friday from 2.00pm - 3.00pm. Alternatively, please book an appointment at the main office. Senior staff are also available at the beginning and end of the school day in the playgrounds, on the gates and at the doors if you need to see them.

Sadly England are not in the world Cup Final but we hope the team are successful in their final match of the tournament against Belgium!

Have a lovely weekend.
