17th May 2019

Dear Parents/Carers,

Thank you for supporting the sponsored bounce event last week we have so far raised £1200.00 which will go towards providing resources for the pupils.

I would like to say well done to all of our Year 6 pupils who have taken their SAT's this week. I am very proud of how hard they have worked all year in preparation for the tests. I would also like to thank all of the staff involved in teaching in Year 6 and thank them for ensuring that the pupils were prepared for the demands of this week. Special thanks to our school cooks Karen and Paula for providing the pupils with a lovely breakfast before their tests.

Next week Year 6 are off on their residential trip to Hayling Island or taking part in an activity week. They thoroughly deserve a week of fun after the efforts they have put in this year. We hope you all have a great week, please make sure you let the adults get some sleep! Pupils need to be at school at 7.30am on Monday if they are going on the residential trip. We will update our Facebook page with photos daily so that you can see how much fun they are having.

Class 16 visited the Apple Store in Stratford this week and took part in a session called 'Getting Started with Coding and Robots'. Students learnt the fundamentals of coding, got hands-on with robots and solved problems collaboratively. It was lovely to see how many children were able to use some of the knowledge they had gained previously in school to help them complete the activities with success.

Class 14 and Class 8 visited the Romford Library this week and enjoyed exploring what the library has to offer. They enjoyed looking and reading through a range of books and listened to a story read by one of the librarians.

Reception children enjoyed having their parents and carers in school today for another workshop. The children were showing off their amazing handwriting skills. Thank you for joining us, the children love having you at school!

Next week is National Walk to School Week. Pupils are encouraged to walk to school this week in order to promote active travel and exercise as part of the Living Streets initiative to get children to use sustainable methods of transport. Each class will sign a pledge to try to walk to school at least once during this week. The class with the most children walking to school that week will win a prize.

If you have anything you would like to discuss with a member of Senior Management please attend the drop in sessions every Friday from 2.00pm - 3.00pm. Alternatively, please book an appointment at the main office.

Senior staff are also available at the beginning and end of the school day in the playgrounds, on the gates and at the doors if you need to see them.

Yours Sincerely,

H McClenaghan
