22nd March 2019

Dear Parents/Carers,

Class 16 visited the Planetarium and Maritime Museum this week to support their learning in their topic "Out of this world." The pupils took part in a workshop to learn more about the solar system, different galaxies and the universe. They thoroughly enjoyed the experience and staff were very impressed with their brilliant behaviour and their engagement in the activities.

Thank you for supporting the book fair the children have been really excited about the new books they have bought. We will be able to stock up the shelves in the library bus following the success of the book fair, thank you for your support.

Thank you to everyone who could join us for stay and learn this week. Your children really enjoyed having you learning with them and were impressed with the work you produced. Thank you for your valuable feedback about your experience in school.

The whole school have enjoyed Art week this week and I am so impressed with the quality of the work they have produced. We look forward to it being displayed for us all to enjoy. We may possibly have some future artists within the school!

It has also been a pleasure having you in school for Parents evenings to share how well your children are doing. If you were unable to make it this week and would like another appointment, please speak to your child's teacher.

Reception children enjoyed having their parents and carers in school today for another workshop. The children were showing off their amazing story telling skills using the Tales toolkit. Thank you for joining us the children love having you at school.

If you have anything you would like to discuss with a member of Senior Management please attend the drop in sessions every Friday from 2.00pm - 3.00pm. Alternatively, please book an appointment at the main office.

Senior staff are also available at the beginning and end of the school day in the playgrounds, on the gates and at the doors if you need to see them.

Have a lovely weekend.

Yours Sincerely,

H McClenaghan
