25<sup>th</sup> January 2019

Dear Parents/Carers,

The Nursery children have been really excited to have their parents and family members join them at school this week. The children have been showing off their brilliant learning and enjoyed showing off how clever they are.

Conductive Music has been in this week working alongside some Pupils in Year 3 & 4. They have been taught how we can combine music with science and ICT. The Pupils have had a brilliant experience where they created a fruit piano by connecting different types of fruit to the computer using wires. Each piece of fruit made a sound when touched and they successfully played 'Mary had a Little Lamb.'

On Wednesday, our Year 5 & 6 Boys football team played against Rise Park Academy winning on penalties. The team were 3 - 0 down and then made a fantastic comeback by making sure they were drawing by the end of the game 4 - 4; to then become victorious winners on penalties! Well done Team! Mr Reynolds and Mr Dickens were super proud of the team and said they'd played amazing.

Class 19 went on their school trip this week to The Ragged School Museum. They enjoyed being transported back to the 1880s and experience first-hand what Victorian schooling was really like. Mr Taylor reported, 'The lesson was tough and the discipline was harsh but luckily no one found themselves on the wrong end of the teacher's cane!'

We had special visitors in school this week all the way from Denmark. They came in to look at how we use ICT in school and to look at all the technology that we use during our Computing lessons. They were extremely impressed with how we used the VR headsets and commented on how engaged the Year 6 pupils were in their learning.

Reception parents have also joined us this week to take part in a Maths workshop on the theme of Shape, Space and Measure. Thank you for supporting these workshops we hope you are finding them useful.

If you have anything you would like to discuss with a member of Senior Management please attend the drop in sessions every Friday from 2.00pm - 3.00pm. Alternatively, please book an appointment at the main office.

Senior staff are also available at the beginning and end of the school day in the playgrounds, on the gates and at the doors if you need to see them.

Have a lovely weekend!

Yours Sincerely,

*H McClenaghan*

Hayley McClenaghan  
Executive Headteacher
