28th September 2018

Dear Parents/Carers,

I would like to thank you all for supporting our Macmillan coffee morning. We are very grateful for all of the donations of cakes and also your generous donations and support of the raffle. We are proud to hold the event annually and it is always a huge success. We will let you know next week how much we have raised. Thank you to all the staff and parents for organising this event.

Reception parent workshops were well attended this morning with children bringing their adults to school today. Parents and children worked together to assist the children in writing their names independently.

The pupils have enjoyed their History skills themed week where they have used historical enquiry to further extend their learning within their topics. Pupils have looked at different artefacts to help them understand key events in the past. There has been a range of activities throughout the school, ask your child what they have been learning!

Pupils in Year 5 and 6 have taken part in Bikeability sessions this week. The cycling training ensures that the pupils are safe on the roads whilst out and about on their bikes. We will be running the course again in the Spring term for the same year groups. If you would like your child to take part they must be able to ride a bike.

If you have anything you would like to discuss with a member of Senior Management please attend the drop in sessions every Friday from 2.00pm - 3.00pm. Alternatively, please book an appointment at the main office.

Senior staff are also available at the beginning and end of the school day in the playgrounds, on the gates and at the doors if you need to see them.

Have a great weekend!

Yours Sincerely,

H McClenaghan
