Dear Parents/Carers,

Class 21 went on their school trip this week to The Ragged School Museum. They enjoyed being transported back to the 1880s and experience first-hand what Victorian schooling was really like. Mr Isaac reported, 'The lesson was tough and the discipline was harsh but luckily no one found themselves on the wrong end of the teacher's cane!'

The pupils in Year 4 have enjoyed their trips to Canterbury Cathedral this week. They loved seeing the interior of the cathedral and were mesmerised by the stain glass windows. They completed a range of activities making stain glass windows, brooches and practised writing with a quill. The staff were very impressed with the pupil's behaviour and their inquisitive questions.

This week we studied how to keep safe online for Safer Internet Day. We held special assemblies to remind pupils how to keep themselves safe and designed leaflets and posters to make sure all pupils were using the internet safely.

The Year 5 and 6 pupils have enjoyed a theatre workshop today about how to keep themselves safe out and about in the community and using the roads.

Thank you to all of the parents and carers who were able to join us today for the workshop in Reception to assist the children with their next steps in phonics. The children love having you in school to show you how clever they are!

As the weather is turning colder and there may be the possibility of snow we will notify you via Parentmail, the school website and our school Facebook page in the event of any necessary school closure. We will endeavour to do our best to keep the school open.

If you have anything you would like to discuss with a member of Senior Management please attend the drop in sessions every Friday from 2.00pm - 3.00pm. Alternatively, please book an appointment at the main office.

Senior staff are also available at the beginning and end of the school day in the playgrounds, on the gates and at the doors if you need to see them.

Have a lovely weekend!

Yours Sincerely,

*H McClenaghan*
