8th June 2018

Dear Parents/Carers,

I hope you had a lovely break with your children, welcome back to the last half term of the academic year. It is always a very busy time of year with lots going on. Please check parentmail and book bags regularly for any information.

National grid came into school to talk to year 6 about the work they were doing on Crow Lane. They talked about the changes in gas over time and the different uses for it. They also talked about different types of energy we could use to power different things. Dr. Dude from mad scientist showed the children different experiments using different types of renewable energy. The children then got to make their own wind turbine and worked out how it works.

Many of the pupils have been using the Veggie Run app. There are hundreds of prizes to be won and we are delighted that Mia in Year 1 has won a brand new bike and helmet this week. Thanks to our school cooks Karen and Paula and also to Dennis and Sherri from Havering Catering Services who have introduced the app to us.

Reception children have enjoyed their annual outing to Shoeburyness beach this week. They were very lucky with the weather and had a nice sunny day to build sandcastles, look for seaside creatures and to enjoy a picnic on the beach. The children were very well behaved and really enjoyed their day. Thanks to all of the staff who accompanied the children on the trip and who made sure it was a great day out for everyone!

Well done to the Upper School Athletics team who represented the school in the Borough Athletics competition at Hornchurch Stadium. Miss Coard was very impressed with their performances and we look forward to receiving the results.

Author, David Goutcher will be visiting KS2 pupils this afternoon to discuss his new book. We are very excited to welcome him into school and can't wait to hear about his new book. David will also be at The Liberty Shopping Centre, Romford on Saturday between 1.00pm - 3.00pm for book signings if you would like to attend.

Thank you to all of the Year 5 pupils parents who were able to attend the meeting regarding secondary school places last night. If you were unable to attend the meeting please look up the following websites for all of the information you need:

www.havering.gov.uk/admissions/secondarybrochure - to view the brochure.

www.havering.gov.uk/admissions/secondary - to access the online application form.

If you have any questions please come in to school and see me. I will also send out a list of the secondary school open evening dates.

If you have anything you would like to discuss with a member of Senior Management please attend the drop in sessions every Friday from 2.00pm - 3.00pm. Alternatively, please book an appointment at the main office. Senior staff are also available at the beginning and end of the school day in the playgrounds, on the gates and at the doors if you need to see them.

Have a lovely weekend.

H McClenaghan
