Romford Library Visit

Romford Library came in yesterday and spoke to pupils in KS1 & KS2 about this year's Summer Reading Challenge. This year's theme is Space Chase. The Summer Reading Challenge takes place every year during the summer holidays. You can sign up at your local library, then read six library books of your choice to complete the Challenge. There are exclusive rewards to collect along the way, and it's FREE to take part!

The Summer Reading Challenge website helps you keep track of your reading all year round: find new books to read, take part in competitions and mini challenges, and play games.

Further details can be found online by visiting: <https://summerreadingchallenge.org.uk/>

Playground Play Equipment

For Health & Safety reasons please do not let your child(ren) play on the playground equipment before or after school. We ask, once your child has been collected at the end of the day that you leave the playground as soon as possible.

Thank you for your understanding.

Parking - Be Considerate

We have recently received complaints from local residents regarding parking issues near the school at the beginning and end of the day. We kindly ask that you do not park on or over resident driveways, double yellow lines or kerbs.

Parking Services have been asked for Civil Enforcement Officers to attend on a regular basis to monitor the situation.

Travelling Safely

Here are some simple steps pupils can take to keep safe and reduce the risk of becoming a victim of crime when travelling to and from school. They would be particularly useful for year 6 pupils who may be travelling to and from secondary school alone by public transport in September:

- Walking and texting at the same time can be dangerous, especially when crossing the road. You are less aware of what is happening around you.
- Think before you use your phone in public or on public transport - especially at bus stops, the tube or train stations.
- Keep a record of your phone's IMEI number - just type *#06# (star, hash, 06, hash) into your phone and it will display a fifteen digit number. You can use this number to register your phone at www.immobilise.com. You stand a very good chance of getting your phone back when stolen, particularly if the matter is reported to the police quickly. Don't wait until you get home. Get someone to ring the police on 101, or speak directly to a member of your school staff or a police officer. Always call 999 in an emergency.
- Many mobile phones have apps that can help you find your phone. Make sure you download these and have them on your phone as they are free. If your phone is stolen, tell the police about your app.
- If you do have your phone stolen, remember don't fight back; it's much safer to give them what they want than get hurt or injured.

For more information and advice on how to stay safe, speak to your local Safer Transport Team. You can find more information about the safety at <http://safe.met.police.uk/index.html>.

If you have any information about a crime but feel unable to speak to the police, you can call the Crimestoppers charity anonymously on 0800 555 111.
