Anti-Bullying Policy

We acknowledge the School Standards and Framework Act 1998 that clearly states that all maintained schools must have in place an Anti-Bullying Policy that outlines procedures in order to prevent bullying among pupils.

Crowlands has a duty of care to protect pupils from bullying as part of our responsibility to provide a safe, secure, caring and friendly school environment for all the children in order to protect them from those who wish to deliberately hurt them either physically or emotionally. We believe all our safeguarding procedures are in line with Sections 3(5) and 87(1) of the Children Act 1989 and Section 157 of the Education Act 2002 and that we promote the welfare of all children in our care.

Under no circumstances will we tolerate any form of bullying and all incidents of bullying will be dealt with promptly and effectively.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
